This is a fantastic holiday for discovering Dubrovnik and the surrounding area through a range of different activities: sea kayaking, cycling, walking & trekking. The intention of this tour is to give you an experience of the natural beauty, the culture and the history which make Dubrovnik and these islands unique.

In the small locality of Dubrovnik and the islands of Sipan, Lopud and Kolocep, you will find remains which date from the antique age, middle age to the recent history. The territory of our activities and trips are unspoiled natural beauty. Rich Mediterranean vegetation, pine and cypress forests and crystal blue sea.

This trip is ideal for people who want to find the perfect combination of activities, cultural sights and leisure. You will be part of a small group, so it's easy to come with friends or family or to come on your own. We travel slowly, but we enjoy every step of our trip. We feel, taste and discover a real sense of the places we visit and what they are all about.

YOUR PROGRAM

Day 1 - Arrival in Dubrovnik

You will be met at Dubrovnik airport and then transferred to Luka Sipanska. This village at the far end of Sipan Island with beautiful sunsets is a charming and romantic fishing village in a bay surrounded with palm trees. Its beauty makes it a favorite mooring place of sailing yachts. Sipan is the largest of the Elaphiti Islands and its landscape, castles, chapels and monasteries are ideally explored by bikes or on foot. Enjoy the afternoon exploring, swimming and sunbathing.

Accommodation: 3*** guesthouse in Luka Sipanska. Meals: dinner.

Day 2 - Elaphiti Islands Kayaking and Paddleboarding

The Elaphiti Islands are one of the best Croatian archipelagos for sea kayaking. Each island is small and easy to kayak around, but has an interesting and indented coastline, offering numerous coves and beaches. We paddle out of Luka Sipanska

this morning and head west towards Jakljan, Tajan and Olipa islands. All three are uninhabited and their beaches can only be accessed from a small boat or kayak, resulting in a number of secluded beaches and a rich, undisturbed underwater world. There will be plenty of time for swimming and snorkeling before returning to Luka Sipanska for yet another spectacular sunset.

Accommodation: 3*** guesthouse in Luka Sipanska. Meals: breakfast, dinner.

Day 3 - Cycling Sipan Island

This is a self guided cycling trip with our assistance and car transfers.

Our cycling tour starts at Luka Sipanska and heads inland through the island. There are many possibilities for the day, and to explore the island by bike is ideal as there are very few cars on this island which is dominated by a fishing community. At the western end of the island, at the port of Luca, you will find many interesting sights: old churches, summer residential palaces, beautiful pine forest, hidden bays...

Accommodation: 3*** guesthouse in Luka Sipanska. Meals: breakfast.

Day 4 - Lopud Island Hiking

Today we will explore the nearby Lopud Island. Lopud has many beautiful walking routes that take one from sea to the top of the island and back. This island's true treasures are its tiny churches and a fort strategically located at one of its highest points. In the past it served as an observation point and was used to protect the island's safety. Prepare yourself for stunning views of the Elaphiti Archipelago and Mljet Island.

Accommodation: 3*** guesthouse in Luka Sipanska. Meals: breakfast, dinner.

Day 5 - Optional Trip Day

Relax on Sipan's beaches, swim, snorkel, sea kayak or join one of the proposed optional trips.

Accommodation: 3*** guesthouse in Luka Sipanska. Meals: breakfast.

Day 6 - Dubrovnik Sightseeing

Visit Dubrovnik, the most beautiful of all Mediterranean towns, for sightseeing, shopping in ancient streets and walking along city walls. Ice cream or coffee taste best in open air bistros along Stradun, Old Town's main street and promenade. Take an optional boat ride to Lokrum, the "cursed island" near Dubrovnik with its Benedictine monastery, botanical garden, small lake popularly known as the "Dead Sea" and Fort Royal Castle.

Accommodation: 3*** guesthouse in Luka Sipanska. Meals: breakfast.

Day 7 - Kolocep Island Sea Kayaking and Sunset Sailing

This morning we head out to Kolocep. The island's cliffs, caves, coves and beaches, accessible only from the sea, make it Croatia's best sea kayaking island. Snorkeling gear will be provided for you to explore the rich and colorful underwater world of

the Adriatic.

In the afternoon, a catamaran will take us on a sunset sailing trip around the area. Occasionally our boat is met by friendly dolphin as we enjoy the sun setting over the Elaphiti. Return to Sipanska Luka in the evening for a farewell dinner.

Accommodation: 3*** guesthouse in Luka Sipanska. Meals: breakfast, dinner.

Day 8 - End of your holiday

Transfer to Dubrovnik hotel, bus station, harbor or airport. You are welcome to schedule your homeward transport for any time. If you decide to spend more time in Croatia, our guides will be happy to recommend other beautiful places to visit - especially those you won't find in tourist guide books.
